# RESIDENTIAL DESIGN

**Full Home Interiors**

**Luxury Interiors**

**Renovations**

Home is the place where you live your life. Your family members, pets and your little plants all share the same roof. And it becomes your responsibility to provide them a place where everyone feels warm when coming into. Residential Interior Design plays a significant role irrespective of type of work you do. you don't change home interiors so often , it takes months of planning.

For this particular task you need to be very sure with whom you are trusting with your 'interiors'.

Your ideas and expectations that you are looking for should be well comprehended by them. Also they should be able to share and understand your thoughts and should be able to visualize what you are expecting as a design and impact as whole . we assure you will get every solution related to your home interior at your door.

# AUDITS AND INSPECTIONS

दुरुस्त इंफ्रा

## FIRE SAFETY AUDIT SERVICE

We empanel approved 'fire and life safety auditor', by maharashtra fire services, mumbai. With us. After studding existing firefighting system, we try to find & rectify discrepancy if any. We prepare fire safety audit report which gives cost effective upgradation of systems without diluting fire authority requirement. We arrange training and mock up drill conducted at site. We also offer robust maintenance schedule.

## ELECTRICAL & ENERGY AUDIT SERVICE

We identify electrical hazards in existing installation both high and low voltage side. We use calibrated equipment for data collection. Preparation of electrical audit report based on electrical safety and energy consumption. We provide design-built solutions to cover short-comings of electrical system.

We also offer robust preventive maintenance schedule.  
Training to electrical maintenance team.

## PLUMBING AUDIT SERVICE

We identify plumbing hazards in existing installation. We use calibrated equipment for data collection. Preparation of plumbing audit report based on plumbing safety and water consumption. We provide design-built solutions to cover short-comings of plumbing system.

We also offer robust preventive maintenance schedule.  
Training to plumbing maintenance team.

## PHYSICAL SECURITY AUDIT SERVICE

Our team of certified auditors is dedicated to ensuring the safety and protection of your premises. Our thorough audits are designed to identify vulnerabilities and potential risks that may compromise your assets. Our comprehensive and tailored assessments delve into every aspect of your physical security, including access control systems, surveillance measures, perimeter protection, and more. We work closely with you to understand your unique requirements and provide actionable recommendations to address any shortcomings.

## **CCTV AUDIT SERVICE**

Our team comprises certified and experienced auditors who possess in-depth knowledge of the latest cctv technologies and best practices. Whether you're a small business or a large enterprise, we tailor our services to meet your specific needs, ensuring every aspect of your cctv infrastructure is thoroughly examined.

## **ELECTRICAL THERMOGRAPHY AUDIT SERVICE**

While utilizing cutting-edge thermography technology to identify potential faults, hotspots, and anomalies in your electrical infrastructure. Through our comprehensive audit and inspection services, we work to help you mitigate risks, prevent downtime, and optimize the performance of your systems.

## **STRUCTURAL THERMOGRAPHY AUDIT SERVICE**

We specialize in structural thermography – an advanced technique that unveils the invisible, ensuring the longevity and safety of your structures. Our team of certified auditors possesses a wealth of experience, ensuring meticulous assessments that go beyond the surface, identifying potential weaknesses and anomalies. Through a perfect synergy of expertise and innovation, we provide a comprehensive range of services that cater to diverse industries.

## **WATER LEAK DETECTION BY THERMOGRAPHY AUDIT SERVICE**

**Subject:- Implementation of the E.S.I. Act, 1948 and Registration of Employees of the Factories and Establishments under Section 1(5) of the Act, as amended.**

Dear Sir(s),

1. It is informed that under section 1(3) of the esi. act, 1948 is applicable to all factories/establishments covered under the act within the area where your factory/establishment is situated
2. It is further informed that the appropriate government has extended the provisions of the act to other establishments under section 1(5) of the act in this area
3. Under section 2 a of the act such a factory/establishment is required to register itself under the act and chapter iv thereof casts a responsibility on the principal employer thereof to get his employees registered and pay contributions in respect of these employees covered under the act.
4. On the basis of the particulars in respect of your factory/establishment submitted by you, the report of the inspection conducted by the Social Security Officer, who inspected your establishment on -NA-, your establishment falls within the purview of Section 1(5) of the Act with effect from 01-07-2024. In case, however, subsequent facts reveal that your establishment was coverable from a date prior to the date mentioned above, you shall make yourself liable to comply with the provisions of the Act from such earlier date.
5. It is requested to take immediate steps for registration of your employees by submitting declaration forms online, payment of contribution, maintenance of records etc. from the date of coverage of your factory/establishment under the act. \*\*You are also requested to submit employer's registration form (form 01) as required under the provisions of sec.2-a of the esi act , 1948 read with regulation 10-b of the esi(general), regulations, 1950.
6. For the sake of convenience your establishment has been allotted code No **31001275330000999** which may kindly be used in all communications sent to this office and on all forms at the place indicated for the purpose. The Branch Office of the Corporation situated at **Sion Branch,ESI corporation ,Unit no 206 ,2nd floor ,Building no 9,jogani indus complex,Kurla(E),Mumbai.** has been instructed to render necessary assistance to you in connection with registration of your employees. In case you find any difficulty or for any other purpose which may be necessary in connection with the Scheme you are requested to contact the Manager of the above Branch Office who will render necessary help in the matter.
7. A State wise list of ESI Dispensaries is available on our website [www.esic.nic.in](http://www.esic.nic.in) under the link Directories which can be downloaded. It is requested that publicity may be given about the Employees' State Insurance Dispensaries to enable your employees to choose their E.S.I. Dispensaries
